PARA-YV v1.2

Youth Violence & Public Realm Risk Assessment

Powered by the ACOP Framework

PROTOTYPE GOVERNANCE NOTICE This sample supports structured professional judgement. It does not replace statutory safeguarding, social care, police, Youth Justice or clinical assessments. Do not enter real identifiable child data in this demonstration PDF.

A ASSESS

Understand the young person, peers, place, pattern and protective factors.

C CONNECT

Identify which agencies hold information and who is best placed to act.

O OBSERVE

Record lawful, factual public-realm observations and environmental risks.

P PREVENT

Turn the assessment into safeguarding, engagement and place-based action.

START HERE

Create the case, complete the critical safety screen, then work through Assess -> Connect -> Observe -> Prevent. Record professional judgement and review arrangements.
