A DEFINED FIRST STEP FOR YOUR TEAM

Clearer ASB cases.
More consistent practice.

Independent case-file reviews and practical learning for housing providers, supported accommodation and community safety teams.

ASB Case Health Check - £195 per case

One anonymised case, up to 40 pages of case records and 10 pages of relevant policy extracts. Includes written findings, a proposed 30-day action plan and a 30-minute online debrief.

Useful when a case is stalled, evidence gaps need an external view or a supervisor wants a clearer account of the next steps.

ASB Toolkit - £395 per team

A practical two-hour live online workshop for up to 12 staff. Explore evidence, chronology, risk, proportionate decisions and partnership working through a fictional case exercise and team action checklist.

Other learning and defined support

Discuss Respect Orders in Practice, incident-to-evidence learning, a guest demonstration or a separately scoped casework-support brief. Dates, suitability and delivery arrangements are agreed before booking.
